

UFS Invitational

April 17-18-19

FFG Event Center - Minneapolis, Minnesota

You've just stomped your friend to the ground with your Blanka deck. You've rinsed the competition clean with your Cammy deck. You've beat every friend you know that plays UFS near you, but your thirst isn't quenched...good. On April 17,18 and 19th, Fantasy Flight Games will be hosting the UFS Invitational tournament at our very own FFG Event Center. We will be hosting a weekend of furious gaming, competition, and bragging rights to boot. No Con badges or event fees , just bring at least one patch from the "Path of the Master" tournament series.

Once you arrive in the Minneapolis-St. Paul International Airport, you can either rent a car at the airport or take a taxi from the airport to your hotel. If you're in need of a taxi, there are many taxi services that will take you from the airport to your hotel located at the airport terminal. The drive from the airport to the Event Center is around 30 minutes.

We have already arranged special rates at two hotels, both within walking distance of the FFG Event Center. The first hotel is the Days Inn Roseville where we arranged for 18 Double-rooms for \$59.99 a night. The second hotel is the Radisson where we have 15 Double-rooms for \$79.99 a night. When you call to book your room through either of these hotels, be sure to let them know you're calling for the **UFS Invitational**.

The telephone numbers for the hotels are:
Radisson - US Toll Free 1-888-201-1718 or 651-636-4567
Days Inn - 651-636-6730

There are some other hotels in the area which we have not reserved rooms through. If you would be interested in staying at these hotels, look at the rest of the hotel locations we have listed on our convenient Google Map.

UFS Invitational Map

Once you're all settled in your room, you might want to stretch your legs a little bit. If you want to check out your stomping grounds for the weekend, we will have the FFG Event Center open from 6 p.m. until 10 p.m. During this time you can come and talk with any FFG staff that may be on hand, or simply come out to get your game face ready. Whatever you choose, you will not miss out on any of the main events if you are unable to attend. Registration for the Invitational event will begin at 10 a.m. on Saturday the 18th. Following the Registration will be a ceremony for all the past UFS Champions. When this procession has ended, we will start the first tournament promptly at 11:30 a.m.

Once the tournament gets started, we will be having events running all day, wether directly related to the tournament or not. If you have time to spare, come check out our Event Center lounge where you can play some of the latest and greatest fighter games to grace the consoles. We will have beverages and snacks available at the Event Center for your convenience. If you're wanting to get a bite to eat, a good deal of restaurants are within walking distance of the FFG Event Center. Also, we will be running shuttles for Invitational participants. Finally, we will be hosting a pizza party on Saturday night, compliments of Fantasy Flight Games. Food and beverages will be provided in this meal for all UFS Invitational participants.

On Sunday, we will start the competition up again once more at 10 a.m., keeping the beatdowns going all the way until 4 p.m. But don't feel like once 4 hits you have to get out of dodge.

We'll have the center open until 6 p.m. for anyone that would like to stay a little longer and make their Invitational weekend last.

Be sure to start planning now because April will creep up on you quicker than you think.
